***INFINITY FILM FESTIVAL'S PROGRAMMING ON SATURDAY, NOVEMBER 3rd FEATURES THE WORLD PREMIERE SCREENING OF RESTORATION OF WAR OF THE WORLDS WITH Q&A AND THE LOS ANGELES FESTIVAL DEBUT OF 2001: SPACE ODYSSEY IN 4K***

*"Tech in the City Panel" Features Mayor of Beverly Hills Dr. Julian Gold featuring Judith Regan and KC Ifeanyi of Fast Company*

**Beverly Hills, CA—October XX, 2018** —The inaugural Infinity Film Festival (IFF), continues on Saturday, November 3<sup>rd</sup> with a consecutive third day of programming spread across Laemmle Music Hall, RealD Theater, The Paley Center For Media and Writers Guild Theater. The Infinity Film Festival features can't miss screenings, keynotes and exhibitions from November 1-4.

IFF's programming includes 75 hours of screenings, 30 technology exhibitions, more than 100 speakers, and panels focused on blockchain, art created by algorithms, and immersive storytelling.

"We are so excited to offer some of the best screenings of some of the leading films of the last two decades alongside some great conversations with leaders of media and technology," said IFF Founder & CEO, Nick Urbom. "The IFF has something for everyone

The panel discussion for The World Premiere Screening with Q&A: Paramount Pictures Presents a Restoration of "*War of the Worlds*," will feature **Craig Baron**, creative director for Magnopus; **Ben Burt**, who has more than 30 years of experience as a writer, director, film editor, sound designer and sound mixer; and **Andrea Kalas**, senior vice president at Paramount. The trio will touch upon the masterful work it takes to restore iconic films and how they are preserved for today's technological advances.

The IFF has many firsts highlighting technology in film and the debut of "2001: Space Odyssey" in 4K is a major focal point and highlight of the festival. The film was first introduced in 1968 and was produced and directed by Stanley Kubrick. The film

received accolades for its scientific accuracy of spaceflight and special effects. The introduction of 4K will no doubt fascinate film enthusiasts to the fullest.

The Tech in the City panel discusses the future of technology in Beverly Hills and features the Mayor of Beverly Hills, Dr. Julian Gold along with Judith Regan who has had a long and award-winning career as a book publisher, producer, and talk show host. She is currently the CEO of Regan Arts and hosts a Westwood One podcast “My Side of the Story.” KC Ifeanyi of *Fast Company* will host the panel.

### **About Infinity Film Festival**

Infinity Film Festival in Beverly Hills celebrates story advanced by technology and invites participants to experience unique moments in time in the entertainment capital of the world. Festival blockchain integrations will be providing responsive, transparent and clear value exchanges between innovators, creators, fans and brands. Programming has an emerging-technology focus, with events bringing together creative, business and tech icons from Hollywood, Silicon Valley and Silicon Beach. The festival is inspired by the seemingly infinite possibilities currently being realized in content and technology. The event's venues include the Paley Center for Media, the Writers Guild Theater, Laemmle's Music Hall and RealD Theater.
